Koding Kata

Wednesday 03/11/20

Room TBD

3:00 - 5:00 PM

We will be bringing back Koding Kata, this is an event designed to help you develop your technical interview skills. We will be having practice questions of different difficulty for you to try out each week, don't miss out.

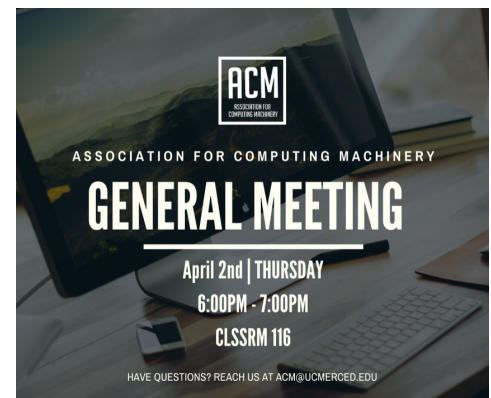

General Meeting 3

Thursday 04/02/20

COB 116

6:00 - 7:00 PM

We will be providing updates on the t-shirt for the semester and talk about the events planned for April. We want this meeting to be different from the others, we hope to see you there!

LAN Party 2

Friday 04/03/20

SSB 160 && SSB 170

6:00-10:00 PM

Believe it or not the second LAN Party is already approaching. You bring the games and we provide a room for you to bring your friends and meet new people to play with. We also have plenty of FREE food, so we can't wait to see come out and play.

ACM Projects

ACM Projects are now open!

Sign up by joining the Slack projects channel to learn about what projects we offer. Beginners are welcomed!

Join Our Slack

ucm-acm.slack.com

Join our slack workspace to either gain help anytime with anything CS related, to learn more about upcoming events, or to just chat

Follow Our Instagram

[@ucmacm](https://www.instagram.com/ucmacm)

Follow us on Instagram for another way to keep in touch with us and get updates about our upcoming events.

Join Our Discord

<https://discord.gg/6PBRc2P>

A server for those interested or active in ACM who want to hang outside of events. Come here for coding help, gaming sessions, and as a place to chill with music.

SIGN UP FOR LEADERSHIP! GET INVOLVED!

We at ACM are always looking for new members to fill up our ranks. We love fresh ideas, good feedback, and new faces. Apply!

If you are interested, apply here.
